PRINTING

Prints are printed on a 44" Epson 9900 with Epson UltraChrome HDR inks. Materials are offered in lower and higher end choices in an effort to keep costs down while maintaining high quality for stability and longevity. Prices include a 1" border for paper and a 1.5" inch border for canvas. An ink credit is applied for image less than 50% of the paper size.

PROOFING DIGITAL FILES—\$35

An 8"x10" proof is viewed for approval. Color and tone adjustments are made if needed and a second proof is viewed. If more changes are needed, proofs are \$10 each. No image retouching for dust and defect removal is done unless requested and is charged at \$20/15 minutes.

FINE ART REPRODUCTIONS—\$125 (\$180 for originals 30"x40" and larger)
